

LIMELIGHT

Music, Arts & Culture

Limelight is a unique platform dedicated to Australian arts, featuring the best news, features and reviews of classical music, opera, theatre, dance and visual art from at home and abroad

For many years, *Limelight* has been the publication that Australian readers reach for when they want to know what's happening in classical music and the arts. In an environment where arts media has been shrinking, *Limelight* has increased its coverage of classical music, opera, theatre and dance through its platforms.

With substantial features by knowledgeable arts writers, entertaining interviews with leading Australian and international artists, comprehensive reviews, and coverage of current affairs, *Limelight* continues to engage and consolidate Australia's arts audience.

Join us as the arts re-emerge from the coronavirus pandemic, ready to reassess and reshape their cultural role as they embrace a bright future.
